

GENERAL NOTES

This Drawing remains the property of Cluttons LLP January 2024 copyright ©

This drawing is to be read in conjunction with the specification and all relevant drawings.

All dimensions to be checked on site prior to commencement of any works.

Refer any discrepancies to the surveyor.

Do not scale from this drawing.

All dimensions are in mm unless otherwise specified.

The contractor is responsible for the stability of the building and adjoining structures during construction and shall design, install, adapt and maintain all necessary propping and temporary works. A method statement for the temporary works must be submitted to the contractor administrator for comment before work begins.
