

SEPD guide to novation of connection agreements

Please note all novation requests must go to the quote acceptance team via Quote.Acceptance@sse.com at the first instance

This guide is designed to give you, the customer, an overview of Southern Electric Power Distribution plc's ("SEPD") novation process for connection agreements. If your connection agreement is with Scottish Hydro Electric Power Distribution PLC, please refer to SHEPD guide to Assignment of Connection Agreements.

In this guide we refer to the current party to the connection agreement as the "Contracted Party" and to the third party to whom the connection agreement is proposed to be novated as the "Proposed Contracted Party."

What is a Novation

Novation is a means of transferring a party's rights and obligations under a contract to a third party. Novation of a connection agreement should not be confused with an assignment in security, which is required where the rights under the connection agreement are assigned to a funder as security for borrowing. Further information on the process for assignment in security can be obtained by contacting commercial.contracts@sse.com

Considerations before completing a Novation

In some circumstances it may not be possible for SEPD to consent to a novation, or the granting of the novation may be delayed until other arrangements are dealt with to our satisfaction. For example;

- There may be other agreements that would also need to be assigned or novated.
- There may be security arrangements that need to be addressed.
- There may be outstanding issues with the connection.

If you are aware of any of the above, we recommend you contact your contract manager (commercial.contracts@sse.com) before populating the template yourself.

Please note: The novation is not legally binding until it is signed by all 3 parties.

Populating a Novation

You can complete the novation template below and return 3 original hard copies signed by the Contracted Party and the Proposed Contracted Party to SEPD at the address below.

Scottish and Southern Electricity Networks

SEPD guide to novation of connection agreements

Havant
PO9 1QH

Please be aware that you will need the following information for both the Contracted Party and the Proposed Contracted Party in order to complete the template:

- Name/Company Name
- Address/Place of business/Company

Registered Office (as applicable)

- Contact details (Name, Tel No., E-mail)
- Company Number (Where Applicable)

Request a Novation

Alternatively, you can contact our Commercial Contract Managers team and if SEPD agrees to the novation they will draft the Novation Agreement for you.

Email: commercial.contracts@sse.com

In order to action a novation request, SEPD will require written consent from the Contracted Party to confirm they wish to novate their Connection Agreement. The written email or letter must include the following information of both parties:

- Name/Company Name
- Address/Place of business/Company

Registered Office (as applicable)

- Contact details (Name, Tel No., E-mail)
- Company Number (Where Applicable)

SEPD will produce 3 copies of the Novation Agreement and provide this to the Contracted Party. It is the Contracted Party's responsibility to sign and arrange to

<https://www.ssen.co.uk/globalassets/our-services/generation-connections/sepd-guide-to-novation-2.pdf>

SEPD guide to novation of connection agreements

have the Proposed Contracted Party sign and return the Novation Agreements to SEPD.

Upon receipt of 3 signed original hard copies of the Novation Agreements, SEPD counter signs and updates their system records. The Novation is completed when the Novation Agreements are signed by SEPD. SEPD will return two signed Novation Agreements to the Contracted Party and the Contracted Party must forward one to the new Proposed Contracted Party.

Please note all novation requests must go to the quote acceptance team via Quote.Acceptance@sse.com at the first instance

Dated
